Key Information

EPA's Operations Office

805 SW Broadway, Suite 500

Portland, OR

June 2 at 10 am - 1 pm.

Conference Call Line: Non-responsive

Location and Parking

The Oregon Operations Office is located at 805 SW Broadway, Suite 500 located in the Fox Tower. The building's cross streets are SW Yamhill and SW Taylor.

The parking garage for the Fox Tower is located off of SW Taylor and will be the second opening into the building on the right side of the street. There are two parking structures in the underground garage: B area and P area. It doesn't matter which you park in but it is easier to use the elevators in the B area to get into the office building. The parking elevators will take you to the "L" (Lobby) level, then take one of the four elevators you will find in the lobby to the 5th floor.

Food

There will be no break for lunch; however, snacks will be served. Also if you wish to buy food before or after the meeting, there are several nearby options:

- Located within the Fox Tower is the Flying Elephant's Deli:

- Located in Director's Park (behind the Fox Tower) in the Elephants Delicatessen in the Park: similar item as the Flying Elephant's Deli but with more hot menu items:
